Who can apply?

Nordplus Horizontal is a cross-sectoral programme open for cooperation between many different target groups and actors within the education area.

- The programme is aimed at all individuals, institutions, organisations and bodies in the eight participating countries having education and lifelong learning as their main objective or working in the area of education and lifelong learning.
- An application to the programme should involve several and a variety of the above mentioned target groups as participants as appropriate to reach the foreseen results.
- Applications must be submitted by institutions, organisations or bodies in the eight participating countries. Applications may include participants from other countries as deemed necessary and useful by the network or project partners from the participating countries.

Individuals may not apply for grants directly from the Nordplus administration, but they may take part in activities organised by an organisation or institution.
