The screenshot displays the ARS application system interface. On the left, there is a registration form for an applicant. The form includes fields for Institution name, Institution type, Address, Postal code, City, Country, Web page, and Fax no. Below these are fields for legal person information, including Title, First name, Mobile name, Surname, Telephone no., Mobile no., and E-mail address. On the right, there is a 'Logged in' section showing the user name 'User: nm0' and a 'Log off' link. Below this is a progress bar titled 'These are the steps to complete:' with five sections: 1.1 Intro (Test configuration, Welcome, Application type), 1.2 Application (Find institution, Applicant, Project, Invitation of co-applicants), 1.3 Activities / expenses specification (New specification), 1.4 Budget (Specification of budget), and 1.5 Review and submission (Review and submission). The 'Applicant' step in section 1.2 is highlighted in red.
