Remember to state your project ID. To see if the application is registered properly go to ?your tasks?. Check that the status says ?new application?. Is that the case then your application has been registered correctly.

The screenshot displays a web application interface. On the left, there is a registration form for an applicant. The form is titled "You are here: Applicant" and includes a "help" button. The form is divided into several sections: "Institution" (with fields for Institution name, Institution type, Address, Postal code, City, Country, Web page, and Fax no.), "Legal person" (with fields for Title, First name, Middle name, Surname, Telephone no., and Mobile no.), and "E-mail address". On the right, there is a "Logged in" section with the user name "Olsen, lujza" and a "Log off" button. Below this, a progress bar titled "These are the steps to complete:" lists five steps: "1.1 Info" (with sub-steps: Test configuration, Welcome, Application type), "1.2 Application" (with sub-steps: Find institution, Applicant, Project, Invitation of co-applicants), "1.3 Activities / expenses specification" (with sub-step: New specification), "1.4 Budget" (with sub-step: Specification of budget), and "1.5 Review and submission" (with sub-step: Review and submission). The "Applicant" step is highlighted in red.
